Well, Actually

My complaint does not fit within the parameters defined on these pages. My complaint is not of Judicial misconduct or of Disability. It is however, a complaint on the conduct of the Court which for plaintiffs raises questions of prejudicial treatment and has lowered our confidence in the neutrality of the court. The evidence of these actions can be found in the case history on the ETF/CM system for our case.

Perhaps there is another forum for such issues you can guide me to.
